In order to become insured, individuals must provide satisfactory evidence of insurability and the required premium must be paid.

This coverage is available only for residents of the United States (except AK, FL, LA, ME, MT, NC, OH, OR, SD, TX, UT, VT, WA and territories) or Puerto Rico.

### APPLY FOR UP TO \$1,000,000 OF COVERAGE

Choose the amount of Group 20-Year Term Life Insurance you need to help protect you and your family for the next twenty years – without the worry of premiums that could go up or benefits that could go down\*.

#### Amounts Of Insurance:

**Members**—\$100,000 to \$1,000,000 in \$1,000 multiples.

**Spouse**—\$100,000 to \$1,000,000 in \$1,000 multiples, not to exceed 100% of member's coverage.

The total amount of coverage an individual may have under all group life insurance policies underwritten by New York Life Insurance Company may not exceed \$2,000,000. Underwritten by New York Life Insurance Company

### FEATURES

#### Pay Less If You're a Qualified Non-Smoker

Non-smokers meeting the highest underwriting standards may qualify for the Policy's best rates. Other nonsmokers may qualify for higher rates.

#### Continuing Insurance After the 20-Year Term Ends

Premiums are expected but not guaranteed to remain the same for the first twenty years of coverage. At the end of the 20-year period, you may reapply for 20-year term rates then in effect for a subsequent 20-year period, provided the insured person is under age 55 and otherwise eligible. If your application for a subsequent 20-year term of guaranteed rates is approved, your premium contribution will be based on the insured's person's age, health and tobacco/nicotine use at the time coverage becomes effective and will be expected to remain the same for a new 20-year term.

If you and your spouse are not approved for a subsequent 20-year term, or you do not apply for a subsequent 20-year term, coverage will continue in force on a non-guaranteed rate basis, under which premium contributions increase as the insured ages.

#### Help Keep Your Cost Manageable

Rates have been provided on an annual basis per \$1,000 of coverage to make it easier for you to compare this coverage to other insurance on the market today. Four modes of payment are available to suit your budget (monthly, quarterly, semiannually and annually).

### OTHER IMPORTANT INFORMATION

#### Valuable Living Benefit Provision "Accelerated Death Benefit"

The "Accelerated Death Benefit" option is available to help terminally ill insureds during a difficult and often financially challenging time. Under this provision you may request one advance payment equal to 50% of your (or an insured dependent's) in force life insurance to be paid while the terminally ill person is still alive. The request must be made at least 24 months prior to the insured person's scheduled coverage termination age and the amount of insurance payable after the insured's death will be reduced by this payment. (Premium contributions will not be reduced.)

This money can be used to help cover high prescription drug costs...medical bills...outstanding debts...to help pay for experimental treatments...the cost of modifications to your home...or for a family vacation-the choice is yours.

To qualify, a terminally ill insured must provide New York Life Insurance Company with proofs of terminal illness and anticipated life expectancy (12 months or less), as well as any other necessary medical information requested. For additional details and limitations, please see the Certificate of Insurance.

Please note that receipt of Accelerated Death Benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor.

### **Exclusions**

Coverage is payable for death by any cause except death from suicide during the first two years of coverage, whether sane or insane, for which the only benefit payable is the return of applicable premium contributions. The validity of any amount of your life insurance which has been in force for two years during an insured's lifetime will not be contested except for insurance eligibility provisions and non-payment of premium contributions.

### **You Name Your Beneficiary**

You may select any person, persons, trust or other legal entity as your beneficiary. If, at the time of your death, there are no surviving beneficiaries, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life, to the surviving relatives in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally.

### **Ownership of Insurance**

"Owner" means the person or entity with rights of ownership of this insurance as described in the Certificate of Insurance. If a transfer of ownership has been recorded by or on behalf of New York Life, or if initial ownership is by other than the member according to the information provided on the application, references throughout this brochure to "you" or "member" will mean "owner," as applicable.

### **Effective Date**

**Note:** Residents of NC: Any reference to "performing normal activities of a person in good health" is replaced by the requirement that the health status of any proposed insured person remains the same as stated in your application.

Insurance will take effect on the date your application is approved by New York Life Insurance Company provided the initial contribution is paid within 31 days after the date you are billed (send no money now) and any person to be insured is actively performing the normal activities of a person in good health of like age on the date of approval.

Any person who is not performing his/her normal daily activities as required will not become insured until the day he/she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible.

### **When Coverage Ends**

Coverage will end when the insured person reaches age 75 or earlier if: (a) premium contributions are not paid when due, (b) the group policy is terminated or modified by the Policyholder to end insurance for the group of insureds to which the member belongs, and (c) AJLI membership ceases, or (d) if the insured requests to terminate insurance.

### **Renewal Payments And Claims**

Once your application is approved, you will have a 31-day grace period for your payment of renewal premium contributions. When you want to submit a claim, call or write the Administrator for claim forms.

## **TO APPLY**

### **Consider Your Eligibility**

Coverage terminates at age 75.

## YOUR COST

### Current 2023 “Preferred” and “Standard” Annual Premium Contributions for Non-Smokers

Annual Rates per \$1,000 of Face Amount

The cost of this life insurance is based upon the member and spouse’s gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date coverage is issued.

Only non-smokers meeting the highest underwriting standards will qualify for “Preferred” rates. Other non-smokers may qualify for the higher “Standard” rates. (Note: Smokers may only qualify for Smoker Rates.) Upon approval of your Application, you will be notified of the rate classification for each approved person. All billing modes except annual will include a \$2.00 billing fee. If applicable, an additional \$2 billing fee will be included on your billing notice payable to the administrator. To avoid the fee, select the Annual mode or Electronic Funds Transfer (EFT) as a safe and secure payment option.
